

T.F. Green Airport Sound Insulation Programs

The **School Sound Insulation Program** has insulated five elementary schools. These schools, Holliman, Wickes, St. Rose of Lima, John Brown Francis and E.G. Robertson were insulated at a cost of \$3.5 million. Two high schools; Pilgrim and Warwick Veterans were insulated at a cost of \$3 million.

The **Residential Sound Insulation Program** began in 1990. 1,534 homes within the 65-75 Day/Night Level (DNL) Zone have been sound insulated at an average expense of \$28,000 per home. To date approximately \$43.3 million has been committed to the program. At this time, the Residential Sound Insulation Program has been temporarily placed on hold pending completion of the Voluntary Land Acquisition Program.
