RIAC can consider, among other factors, such things as labor cost, service and parts availability, availability of materials and supplies, and maintenance costs of items upon which bids are received. RIAC can determine any differences or variations in the quality or character of the material, goods, wares, or services performed or provided by the respective Bidders.
9. RIAC reserves the right to waive any irregularities and to reject any and all bids on any basis without disclosing the reason. RIAC will be the sole judge in determining as equivalent products (if applicable). The successful Bidder will be the lowest responsible and responsive Bidder. In the further event of such

failure, the Bidder shall be liable for RIAC's actual damages that exceed the amount of the surety.

20. It shall be understood that time is of the essence in the Bidder performance. The Bidder agrees that RIAC's damages would be difficult or impossible to predict in the event of a default in the performance hereof; and it is therefore agreed that if the Bidder defaults in the performance of the Contract Documents, the Bidder shall be liable for payment of the sums stipulated in the Contract Documents as liquidated damages, and not as a penalty.
21. The Bidder hereby certifies that he/she has carefully examined all of the documents for the project, has carefully and thoroughly reviewed this IFB, has inspected the location of the project (if applicable), understands the nature and scope of the work to be done, agrees this bid is based upon the terms, specifications, requirements, and conditions of the IFB and documents, and not subject to terms and conditions of Bidder. Further, RIAC will NOT: (1) guarantee security of the document received; (2) be held responsible for bids which are NOT legible (and may choose to reject such responses).
27. By submission of a response, the Bidder agrees that at the time of submittal, he/she: (1) has no interest (including financial benefit, commission, finder's fee, or any other remuneration) and shall not acquire any interest, either direct or indirect, that would conflict in any manner or degree with the performance of Bidder's services, or (2) benefit from an award resulting in a "Conflict of Interest." A "Conflict of Interest" shall include holding or retaining membership, or employment, on a board, elected office, department or bureau, or committee sanctioned by and/or governed by RIAC.
